"For the glory of the Lord"

FIFTY YEARS AND GOING STRONG! George Melton and Southern Gospel Music have been synonymous for over 50 years. Since his high school days in southern Illinois, George has continued to use the clear, high range of his gifted first tenor voice in beautiful proclamation of the Gospel in song. George has sung in well-known quartets including the *Ambassadors* and the *Gospel Lads*.

The Meltons are made up of George and his wife Nedra, and one son, David and his wife Krista. The Meltons are a full-time Gospel group currently based out of Joplin, Missouri. For the past eighteen years, The Meltons have traveled coast-to-coast, averaging 6000 miles a month. George and David, both ordained ministers, preach many revivals each year. The family sings and leads the music for all of these, as well as several other revival meetings. They also give Concerts for churches, conventions, men's retreats, ladies' retreats and family retreats. The Meltons travel 300 days a year ministering through music.

The Melton families' objective is to be faithful first to God's call on their lives by proclaiming the Word through the ministry of singing and preaching the Gospel of the Lord Jesus Christ. As they invest their God-given talents, their testimony is a great encouragement to families everywhere to be faithful to the Lord and His Word.
